### Girls Football

Ten Year 3 and Year 4 girls took part in a football festival of skills and practice matches this week. Each girl that attended represented the school in a wonderful way and were engaged with every activity and match! They learnt how to be good role models and friends and it was lovely to see the way two different year groups interacted throughout the day. Many goals were scored by every member and many smiles were raised! The girls were a real credit to our school and we hope the day inspired them to continue playing sport outside of school.

### Clay Workshop

This week, Year 6 were fortunate enough to have the opportunity to take part in a clay workshop in which they all made a poppy for Remembrance Day. The children were taught key art and clay making skills during this workshop. These will look fabulous outside school and will be incorporated into our remembrance celebrations which will also include the mosaic which the children will create next term.

# Year 6 Buddies

We are extremely proud of all of the Year 6 who are excellent Buddies to our new Reception children. Every day, Year 6 accompany the Reception children whilst they eat their lunch in the school hall and then they enjoy playing with them in the Foundation Stage outdoor area. Year 6 have really helped the Reception children to settle into school and have shown great responsibility when looking after their 'Buddies' which is one of our school values.
