Dear Families

I've really enjoyed looking at some of the children's work this week, particularly the bright and colourful Colour Monster display and the amazing Solar System creations. See for yourself on our Facebook and Twitter pages.

Don't forget to book your parent's evening telephone appointments for next week if you haven't already done so on parentmail..

Have a great weekend!

### Baby News

We are delighted to share with you the news that Miss Long has had a baby boy. He was born on 28<sup>th</sup> September weighing 8lb 8oz. Mother and baby are doing well.

### Home Learning

If your child should have to isolate due to family members having COVID symptoms or a positive test, work will be set for them on Seesaw. We are currently ironing out a few minor issues on Seesaw so please bear with us.

If your child is off school because they are feeling ill there is no expectation to carry out work.

## Welcome to Mrs Katie Brockington

We are excited to share the news that Mrs Brockington will be joining Linchfield as our new Head Teacher. As explained in the letter which went out earlier this week, Mrs Brockington is currently Head Teacher at Caythorpe Primary School and has commitments there in the short term. I will therefore continue in my role as Interim Head Teacher for the time being. We look forward to welcoming Mrs Brockington to the team and will keep you updated when we have more information.

## Reading books

Erin Bundock has very kindly donated all these brown level reading books to school.

Over lockdown her family bought the books to keep her reading and after she finished with them, she decided to give them to school.

We wanted to give her a special mention as we know these books aren't cheap and the children love this range in school.

They have been wiped and are currently quarantining! They can then go onto our bookshelves.

## PE Kit

Please see below list of PE kit items required. We understand that during these unusual times it may be harder to purchase items when they need replacing but we ask that you send the children in suitable clothing and footwear as close as possible to our uniform expectations.

- White t-shirt (with or without school logo)
- Green shorts
- Trainers (outdoor use)
- Children may wear tracksuits or similar when it is cold during outside lessons
