### ClassDojo

Firstly, I would like to thank all of the parents/carers who have connected to their child's ClassDojo classes. I do hope you are enjoying seeing your child/children's progression in earning points throughout the past few weeks. This week Linchfield students have been very excited to see the shop open for the first time and the children have been so enthusiastic to have had the opportunity to save or spend the points they have earnt so far. Well done to everyone on achieving your ClassDojo points keep up the amazing work.

### Treehouse

Unfortunately, we are unable to offer any wrap around care provision during the school holidays at the present time. If this changes in the future then we will let you know.

### FSM Vouchers

FSM parents are entitled to £15 of Tesco e-vouchers as part of the Covid Grant Scheme for the half term week. All FSM parents can expect a Tesco email.

### After School Clubs

We will not be starting any after school clubs until September. The children would need to remain in bubbles for clubs and this is currently difficult due to space in school and staffing.

### School Information

## School Uniform

From the start of Term 6, we would like all children to come to school in their full school uniform every day. This means that all children will need a named PE kit to be in school for them to get changed into on the days that they have PE. From the start of Term 6, children will no longer be able to come to school in their PE kit for the whole day when they have PE.

Please see our expectations for full school uniform below:

Green sweatshirt or cardigan, white polo shirt, grey/black trousers or tailored shorts, skirt, pinafore or green and white checked summer dress.

**Black school shoes and plain socks/tights** must be worn all year. We request that sandals and canvas shoes are not worn, to prevent unnecessary playground accidents. **Trainers and boots are not part of our school uniform and must not be worn to school.**

P.E. Kit should include a white t-shirt, green/black shorts and a pair of plimsolls or trainers. Jogging bottoms and a warm sweater will be needed for the colder months of the year.

All clothing items, PE bags, lunchboxes, water bottles etc must be clearly labelled with your child's name.

### Jewellery

Jewellery presents a health and safety risk during the school day. As such we request that children do not wear jewellery to school unless there is a medical reason. Children should only wear stud earrings in their ears and they must be able to take their own earrings out and put them back in again as they need to be removed for PE lessons. Teachers are no longer allowed to help children remove or insert earrings, nor are they allowed to put tape over their earrings for PE.

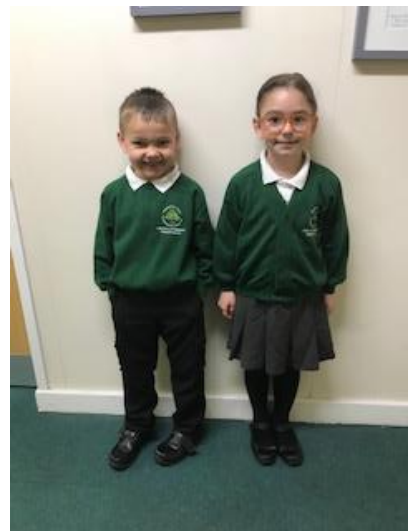

We request that pupils have their ears pierced during the first weeks of the Summer Holidays so that they are able to remove ear rings upon their return to school.

### Hair Accessories

If your child has long hair, please ensure that it is tied back neatly for school. Small, school coloured hair accessories may be worn but large bows and brightly coloured accessories are not part of our school uniform.

If you have any concerns about providing your child with full school uniform at the start of Term 6, please contact the school beforehand.

Thank you for your continued support and cooperation in this very important aspect of school life.

## Linchfield Learners

### Year 6 DT

#### Nest Boxes by Emilia Bamford and Diyaan Trivedi

The bird nest boxes that Year 6 have been working on this term, have been a huge success.

We did encounter a few complications on the size of the wood and nails, yet we soon overcame these with the right size nails and some strong wood glue!

We had so much fun making the nest boxes for another generation of Linchfield's pupils to look after and for birds to nest in.

#### Sign Posts by Evie Cole and Aimee Berry

In DT, we made sign posts for the book corners in school to leave a legacy for the pupils of Linchfield.

We had to saw wood, after drawing round templates accurately, paint the posts and bases, then stick sign names onto the sign templates we had sawn. Finally, we all had the opportunity to nail the signs onto the posts.

We really enjoyed our DT project!

### Year 5 DT

This terms DT focus has been America's fast food industry in Year 5. Part of this involved taste-testing a variety of shop bought cookies, analysing packaging product design and tasting them.

On Monday and Tuesday morning this week, we went baking mad! We worked in small groups to make our own batch of cookie dough, bake them and the best part - eat them!

## Let's Rock!!

There has been a buzz of excitement around KS2 this term as the children have begun their journey to officially become 'Timetables RockStars!' Many have already risen up the rankings from 'Busker' to 'Rock God' and the journey to superstardom continues. We've had 'Rock-Slams,' where the children have challenged each other in competition and 'Battle of the Bands,' where classes have challenged each other (a determination to win in some year groups has led to some

sneaky tactics in order to creep up the leader board but we in Year 3 will forgive Mr Goff for this in time!!)

As we head in to the holidays and next term, we are hoping the children continue to practise regularly to improve their times-table knowledge whilst having fun. Letters giving details of how to log in and explaining the journey we are on to develop this key mathematical skill will be sent home with the children. Please ask your child's class teacher if you have any problems and we will try to help. In the meantime, prepare to enjoy being the parents of real-life ROCK LEGENDS (until bedtime of course).

## Sports Day & Mini Olympics

We are very excited to announce that we will be having a **Bubble Sports Day** this year on **Tuesday 15th June**. This will coincide with the **Inspire+ Mini Olympics** which has again gone virtual this year.

**Please can the children come into school on Tuesday 15th June dressed in school PE kit for the whole day.**

Each year group will have a host of events scheduled throughout the day, for example 60m sprints, long distance races, long jump as well as a host of virtual online videos from the Inspire+ ambassadors, who will have their own unique sporting challenges for the children to complete in school.

**We are afraid with current restrictions in place that sports day this year will be competed in year group bubbles and that we cannot have parents onsite for the event.** I'm sure you will agree this is a fantastic sporting opportunity for all children within school to take part.

We are looking forward to the event!

Kind Regards

Mr Goff

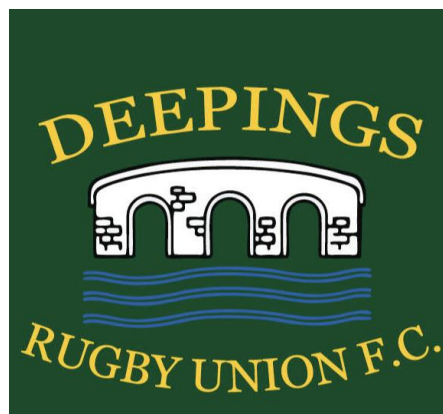

## Deepings Rugby Union Football Club

Deepings Rugby Union Football Club are looking for new recruits for a girl's team for girls from the age of 10. They guarantee bundles of fun and they play both contact and touch rugby.

If you decide to join Deepings Rugby Union Football Club you will need:

- A gum guard
- A short sleeve t-shirt
- Shorts/joggers
- A head guard
- Water bottle

Training is on a Sunday morning from 10am - 11.30am

There is also an extra training session on a Tuesday evening from 6.00pm - 7.00pm.

**Information provided by Emilia B & Freya P**

# WHAT'S ON

## Half Term Fun at the Deepings Library

Opening Hours:

Mon, Tues, Wed, Fri 10-5pm Sat 10-3pm
