### Y6 Mosaic Masterpiece

Year 6 have worked together to create a mosaic masterpiece which displays the school's logo. They all thoroughly enjoyed taking part in this creative activity and contributing to a wonderful piece of art that will be part of their legacy at Linchfield. Their mosaic masterpiece is on display in the school entrance for everyone to see! Thank you, Year 6!

## Reading Books

Please can all reading books be returned to school by Friday 16<sup>th</sup> July so that we can do a stock take of the books we have in school and ensure that our reading resources are organised ready for September. Thank you for your support with getting Accelerated Reader up and running in school. The children are really enjoying selecting their own reading books at their level and the quizzes are helping teachers to monitor children's progress more accurately. We will be ordering more reading books in September to add to our collection so if your child has a favourite author or would like to read any books that we don't already have then please let me know so that we can add them to our order. Reading is a vital life skill and we want our children to be able to read books that they enjoy as this will help promote a love of reading.

## Free School Meal Vouchers

The government has announced a further extension to the COVID grant support for vulnerable families to support them over the summer holiday.

All Free School Meal families will receive a **£75 Tesco voucher** per eligible free school meal pupil of school age to support with meals during the summer holiday.

## Drop Off & Collection Times

A number of staff and parents are concerned about the safety of our children at drop off and collection times at school. If you are unable to walk to school please be mindful of where you park or stop when dropping off and collecting your child/ren. Some parents are driving into the outer car park too fast and are not allowing children to cross the car park safely. Some parents are parking inappropriately on the road outside school which is resulting in the road being blocked. Offensive language or abusive behaviour is not necessary or acceptable and could result in a ban from school property. Our children's safety is paramount and should always be a priority for the entire school community.

Thank you for your support in this matter.

## Parent Governor Election

There are two vacancies for a Parent Member on the Local School Board. The following parents have been nominated:

- place an 'X' in the column against the name of the person(s) for whom you wish to vote (**one vote for each vacancy**);
- put the completed ballot paper in a blank envelope and seal it;
- **DO NOT SIGN EITHER THE BALLOT PAPER OR THE ENVELOPE**;
- return this voting paper to the school before 12.00 noon on Tuesday 20<sup>th</sup> July 2021 when the election closes.

**Voting papers received after this time / date will not be counted.**

A ballot box will be available in the school office. Ballot papers can be brought in person or via your child in a sealed envelope.

## Linchfield Learners

What a busy week in Year 5! At the start of the week, the children took their maths learning outside, where they were applying their imperial and metric measurement knowledge. They were measuring everyday objects and even created a 'human rectangle' that allowed them to convert between millimetres, centimetres and meters, as well as, using their perimeter and area skills.

## Linchfield Learners

Year 5 became ancient Greek potters this week and designed and created their very own Greek vase! We discussed the different styles, textures and how to use the carving tools. We also discussed the different patterns, colours and their meanings. The next step is to paint our vases and decorate them, ready to take them home!

## Linchfield Learners

It has been a busy week in Year 6!

Firstly, Freya came in on Monday to show us her lovely new hairstyle, having had 16 inches chopped off her hair to donate to The Princess Trust. We are so proud of her for this kindness.

Also, the gardeners are proud to announce that our vegetables are growing nicely. Colin the cucumber is doing very well!

In RE this week, we learnt about confirmation within the Cristian religion and how the structure of the church and our beliefs depends upon strength, sturdiness and steadiness. The children were tasked with producing structures to demonstrate what a structure needs in order to support an object as the church supports its' believers.

In PSHE we spent time as a class discussing how different families are made up and how everybody's families are different but there is no right or wrong and we need to accept differences.

In guided reading we finished looking at the amazing book 'The Song From Somewhere Else', which the children have really enjoyed. Next week they will be writing a description linked to this book. They performed a wonderful conscience corridor showcasing their fabulous debating skills surrounding topics raised in the book.

## School Uniform

Thank you to the FLS for organising a second-hand uniform sale after school this week. It was a huge success and will be on again on Friday 16<sup>th</sup> July 2021, straight after school, on the school playground. The FLS have a range of excellent quality uniform available in different sizes so if you are looking for school uniform then please come along next week.

## School Books

If you have a spare bag at home, please could you send it in with your child next week so that they can use it to bring home their school books from this year. Many thanks for your continued support.
