ClassDojo

As part of our new Behaviour Policy, we have now introduced ClassDojo in school which is an online school communication platform and the children absolutely love it! We are using the system as our reward system so instead of receiving silver and gold awards, the children will now earn Dojo Points for demonstrating positive behaviour linked to our school values such as; helping others, working hard, being kind and making good progress during lessons. The points which the children earn will be redeemed when purchasing toys and experiences from our Dojo shop.

This week you will have received a link to your child's class which will give you access to how many points your child has earned during the school day. Please ensure you sign up to have access to your child's achievements and be just as proud as we are.

New Books

We would like to say a huge thank you to FLS. Two big boxes containing over 100 new books, purchased with funds raised by FLS, arrived in school last week. These books are all linked to Accelerated Reader and children have already greatly enjoyed selecting from the new books when visiting the library.

Safeguarding

Safeguarding is the action that is taken to promote the welfare of children and to protect them from harm. This involves protecting children from abuse and maltreatment, preventing harm to children's health or development and ensuring children grow up with the provision of safe and effective care.

We have been talking about safeguarding in assembly and all the children know that if they have a worry or a concern, they can talk to any member of school. We also highlighted the School's Designated Safeguarding Leads, who are Mrs Canham, Mrs Brockington and Mrs Roberts.

Who should I talk to if I have concerns about a young person?

Please contact the designated Safeguarding Lead **Donna Canham**

Attendance

Good attendance is vital for your child's learning and development. Following statutory guidelines, absences cannot be authorised during term time and may only be granted in the most exceptional circumstances. Please ensure that children come to school promptly every day so that they don't miss out on vital learning time.

96% attendance is the minimum target for all children. Every day counts!

Attendance Ladder

Mrs Canham has been monitoring our attendance extremely closely across the school. Our average attendance for this week is 97.5% which is really good but on Wednesday we had 100% which is fantastic. Reception have had the highest attendance this week with 98.4%.

To celebrate 100% attendance on Wednesday this week, we would like to invite all of the children to come to school on Tuesday 4th May 2021 in non-uniform. Well done everyone!
