

A big hello from the Family Learning Team! We would like to introduce you to our team. We offer a variety of Family Learning courses throughout Lincolnshire to schools, where you will be able to learn with your child. It may be to learn about how phonics is taught, the importance of play or it may be to improve your own literacy or numeracy skills, so that you feel more confident in supporting your child. Please see our leaflet for more information. Due to the current situation we are unable to visit your school right now, but would like to direct you to our webpage for 'Learning at Home' tips. <https://www.2aspire.org.uk/learning-at-home/>. Our tutors have also provided some short clips for you on our 'Family Learning in Action' page <https://www.2aspire.org.uk/family-learning-in-action/>. We hope to visit your school soon.
